GOAL!

Safety Cone Policy

Get Out And Look is a part of the Smith Defensive Driver Training and an additional component of the Trans-West vehicle inspection policy. Your safety is of the utmost importance! We all work in diverse geographic with different safety hazards. It is always important to be mindful of the area we are working and driving in, as well as the condition of the vehicles/ cart and equipment we are using. This policy will help remind us all to Get Out And Look before driving and confirm we have a safe vehicle to drive and safe route to move the vehicle in.

Reminders and Requirements for Every Trans-West employee:

- Follow the laws, wear your seat belts and abide by the speed limits on public roads and client properties.
- Come to work rested, alert, nourished and fit for duty.
- Always have and wear the proper equipment and PPE necessary for your job and post. Inform Dispatch or Sam 1 anytime you need equipment.
- Do not patrol or drive a vehicle if you feel tired.
- Call a safety session if needed. There are no repercussions from this! A safety session should be used if you feel you cannot perform your job safely and you need support from a supervisor.
- Do not keep loose items in your vehicle
- NEVER text or use phone while driving
- NEVER leave your vehicle idling or running unattended.
- Follow SMITH Defensive driving training principles
- Avoid backing! Document your vehicle inspections in Silvertrac if this cannot be avoided.
- ALWAYS use your 2 safety cones!
- Do a thorough vehicle inspection every shift
- Comply with Trans-West vehicle safety policies!!!

Your Safety Is Always First!

Trans-West believes our employee's job knowledge and safe work practices are essential in meeting our objectives of achieving an incident-free workplace and providing the best possible quality service to our customers! We expect each employee to perform their work safely AND professionally!

Your understanding and adherence to these rules and procedures are essential for the maintenance of a safe work environment and your own personal safety. Furthermore, your compliance with these policies is part of your job and is a condition of your employment.

Trans-West Security Employees of the Month for June are : Moris Sorto and Noah Ramirez

Moris and Noah work together as a team at Superior Court Building and were recently commended by Kern County Sheriff Deputy's for their excellent work ethic and constant willingness to learn court policies and procedures as well as Trans West's. These two individuals have superseded the KCSO expectations and have displayed a high level of situational awareness. We would like to thank Moris and Noah for being key components to the success of the daily operations at the Superior Court and an essential part of the Trans West team.

Trans-West Security Employee of the Month June is : Maria Romero

Maria has been part of the Trans-West Services team since 2005. She has been an excellent example of a model employee for the past 6 years. She continues to work hard, have a positive attitude and is consistent with her high level of work ethic. Our clients continue to praise her quality of work. Thank you Maria for your excellent service!
