Halloween Safety

Everyone wants to have a safe and happy Halloween for themselves, their guests and their children. Using safety tips and some common sense can help you make the most of your Halloween season, keeping it as enjoyable for your kids as it is for you! There are lots of simple ways to keep your child safe at Halloween, when accidents and injuries are more likely to occur.

Safety Tips to help your children avoid accidents and injuries:

- Always have an adult accompany your child and travel in small groups.
- Only go to well-lit houses and never enter the houses.
- Use flashlights, stay on sidewalks, and avoid crossing yards.
- Be sure to teach your children how to cross a street properly
- Dress children in bright colors.
- Costumes, including masks, beards, wigs and hats, should be made of flame resistant material.
- Consider using face paint instead of masks. (Masks can obstruct a child vision.)
- Avoid wearing long, baggy, or loose costumes or oversized shoes (to prevent tripping).
- Don't allow sharp objects to be used with the costumes. Certain toy weapons can pose a serious threat to the eyes, especially when a large group of children gather at the door to receive treats.

Halloween should be a fun time for children. Following these guidelines, the holiday can still be fun but also safe!

Friendly Reminder

Daylight Savings Time ends Sunday, November 6, 2011. Not only will the clock fall back 1 hour, but the TransWest uniform will revert back to traditional winter wear. Starting November 6th all officers in the [Regular Blue Uniforms](#) will be required to wear a tie and tie clip in addition to the regular uniform. Long sleeve shirts and pants are in currently in stock for officers wearing BDU shorts and/or short sleeve BDU tops. Also jackets are available for officers who need them. So don't forget to stop by the office and pick up your winter wear if you haven't already done so.
